

**21st Annual Global Child Nutrition Forum
Siem Reap, Cambodia – 2 to 6 December 2019**

Theme: What we’re learning: Enhancing value and exploring challenges and good practices in school meal program implementation

Forum Objectives:

1. Explore the main challenges that countries face in implementing school feeding programs
2. Underscore the importance of setting standards and ensuring quality in school feeding programs
3. Explore the links between investing in school nutrition and the development of human capital
